POINTS OF PRIDE

Our students and staff participate in community outreach events each school year.

Parental involvement at our school is key to our success. Parents assist us with many activities each year.

We were named a PTA National School of Excellence in 2017 and were one of 18 schools nationally awarded a STEM grant through the National PTA.

Our STEM initiatives, robotics and technology provide hands-on learning opportunities for students, helping to prepare them for success in college and careers.
