

UPDATED Meal and Cafeteria Guidance for Re-opening In Phase 2

Mandeville Middle School looks forward to the time when we can once again welcome parents and others to visit our school campus during lunch. Until that time, however, the following procedures are in place:

- No one but employees and students are currently permitted on campus.
- No visitors are permitted to eat lunch with students or staff.
- No lunch drop-off is permitted at this time.

Thank you for your cooperation, support and understanding of these guidelines during this unique time.
